PROGRAM OVERVIEW

OBJECTIVE

- To create a true high-performance option for all players in the BVTW/Jr. CHAOS stream that provides the very best development opportunities for all its players and coaches.
- To offer an affordable, realistic and local option for this high-performance program with the intention of giving players from the draw zone the ability to access the program close to home.
- To tie the Timberwolves and Junior Chaos Programs and P3 Sports Hockey Academy together to ensure that each player is accountable to academics and athletics through a singular channel.

ACADEMY ADVANTAGES

- Professional Coaches & Trainers
- Alternative to Private Academies
- Consistent & Progressive Skill Development Programs
- Dry Land Training needs
- Guidance & Leadership for individuals and families
- Valuable life skills

WHO IS THIS FOR?

- This is a High-Performance Program. Student Athletes who are accepted, will typically be playing in the higher levels of their sport.
- The Culture created by the P3 Sports Academy is built on the Value based Foundation of Professional F.E.A.R.
- We are looking for Male & Female Athletes who already exemplify a degree of that Professional Focus, Effort, Attitude, and Respect and willingness to push themselves and those around them to get out of their comfort zone in their everyday lives.
- Student Athletes at the Academy will have a passion for their sport, a high motivation to set and achieve goals, and become Leaders in their Sport and Community.
- The on and off-ice Programs offered through the Academy will provide the Student Athletes every opportunity to discover themselves, their strengths and current limitations and to put a plan in place to overcome these limitations to be the best student, athlete and citizen they can be.

SPECIALTY COACHES

- Brad Werenka is a former NCAA Div1 and NHL Defenseman with the Edmonton Oilers, Pittsburgh Penguins and Calgary Flames. Brad has been keeping current in the hockey world Coaching AAA and consulting with WHL and NHL teams in the analytics space. Brad is one of the brighter minds in the hockey world and looks forward sharing his knowledge of the defensive side of the game as a Defensive Specialty Coach at the P3 Hockey Academy.
- Cory Sarich – former NHLer and Stanley Cup Champion, Cory is now working with the Calgary Flames Defenseman as a Skills Coach. He will also be a Defensive Specialty Coach at the P3 Hockey Academy.
- Jeff Compton – Jeff is an Assistant Coach and in charge of skill development and strength and conditioning with the Victoria Royals in the WHL. Jeff also works with NHL players in the off-season both on and off the ice. Aside from being a skating and skills expert, Jeff is also an expert on developing Hockey IQ and decision making. His unique and broad Coaching expertise will be available to our P3 Athletes as a Specialty Coach in each of these areas
- Darren Rommerdahl – Darren is the Head Skills Coach for the Calgary Flames, working with NHL and AHL players and prospects year-round. Darren will be joining our Coaching team as a Specialty Coach focusing on offensive tactics and scoring

SPECIALTY COACHES

- Mike Kennedy – Michael Kennedy is a Canadian former professional ice hockey centre who played in the National Hockey League from 1994–95 to 1998–99 for the Dallas Stars, Toronto Maple Leafs and New York Islanders. Kennedy was drafted 97th overall by the Minnesota North Stars in the 1991 NHL Entry Draft.
- Aled Miller – Alec works as a Goaltending Coach for the Bow Valley Timberwolves AA hockey program out of Cochrane, AB
- Danielle Fujita – Danielle is the Skating Coach for the Calgary Flames. She is one of the most sought after and highly touted Skating Coaches in the area. We are happy to have her join our team as our Skating Specialist.
- Mike Brodeur – Mike has been with us for sometime now and this year his role has changed to focus specifically on the development of our Goalies at the P3 Hockey Academy. Another former NHL'er Mike is one of the more desired Goalie Coaches in Western Canada.
